

Hi There!

The Autism Centre of Canada is thrilled to let you know we are moving forward in our efforts to have a facility built for children and their families to come under one roof and receive holistic treatment for Autism in London, Ontario.

Our first event will be a golf tournament called Under one Roof held at the beautiful Highland Golf and Country Club on Thursday, September 17, 2009. The registration form and all the details are attached. If you want to golf, volunteer or become a sponsor please let me know! Our goal is to have 144 people golfing, talking and raising awareness about the Autism Centre of Canada. For more details about the Autism Centre of Canada please visit www.autismcentreofcanada.org

Please join us!

Kindest regards,
